BRIGHTSIGN DIGITAL DISPLAYS

•**Earth Day** is an annual event celebrated around the world to demonstrate support for environmental protection

•**20 million Americans** took part in the first Earth Day celebration on April 22, 1970

•To maximize student involvement, **April 22** was chosen as the date because it fell between Spring Break and final exams

•According to the EPA, the first Earth Day inspired the passage of the **Clean Air, Clean Water and Endangered Species Acts**

•**In 1990 Earth Day went international**, organized events were held in 141 nations

•On Earth day 2011 **28 million trees were planted**

•On Earth Day 2012 **100K people rode bikes** to reduce CO2 emissions and save fuel

•What will **YOU** do on Earth Day?

Have you been paying attention to the digital signage displays in all our buildings?

If not, you are missing out. This is another avenue for us to communicate with our residents, so please take time to check them out. They are located in your lounges or in the hallways.

The display monitors are constantly being updated with informative contents from MWR and Unaccompanied Housing.

Welcome TO THE TEAM!

WELCOME aboard to our new UH Manager Dolly Yumol. Dolly checked in about a month ago and is now part of the UH Team dedicated to improve the quality of life of our residents. CSC Baldovi, UH LCPO, will soon transfer to San Diego. CSCS Lafate, the Dept. LCPO is taking over.

TROUBLE CALL REPORTING: Please report any concerns/trouble calls to your Building Manager, Duty Manager, Resident Advisor, or online at www.navylifepnw.com. We can only help you if you let us know of issues immediately. For EMERGENCY Trouble Calls you can dial 855-462-8322 (if there is life in danger or serious damage to property is imminent).

Find us on the internet at: www.navylifepnw.com

PERSONAL VEHICLE MAINTENANCE: Occasionally, we see UH parking spaces littered with auto parts and accessories. Auto maintenance in UH parking lots is not permitted for safety reasons. Per EPA NPDES Permit #WAS026611, all engine maintenance must be performed within an indoor garage in order to reduce storm water pollution.

LONG TERM PARKING: When going on deployment or going away for more than 90 days, all residents are required to check out. You cannot leave your vehicle in the UH parking lots. However, a long term parking spot, located next to the gym, is available for you at no cost. You have to register your vehicle at NAS Whidbey Island Quarterdeck located in Bldg. 385. For more information, please call 360-257-2631.
